All:

The Department has issued a revised Environmental Assessment Form. Please see [link](#).

You can also find it on the Planning Department [website](#) under "Forms" or at the Development Service Center Public Counters Downtown or at Van Nuys.

The revised form will replace the old EAF as of December 30, 2016. Effective January 2, 2017, only the newly updated EAF application will be accepted by the Department.

The old EAF applications will be accepted until December 30, 2016, provided they have a notarized signature.

All the best,

YEGHIG L. KESHISHIAN
